1 January 2025

Dear << Title >> <<Surname>>

## Your chance to help the NHS

I am writing to ask you to take part in the 2025 GP Patient Survey. Ipsos are carrying out this survey on behalf of the NHS. Each year, nearly 1 million people help us by taking part in the survey.

## Help us improve GP and other services in <<LA\_Name\_GPPS>>

The survey asks about your experiences of your GP practice and other local NHS services, and includes questions about you and your general health. The NHS will use your answers to understand the experience of patients and the public, to improve your local health services. It is important to tell us about your experiences even if you haven't visited your GP practice recently, or you have taken part in a survey before.

Please take part online in two easy steps. Taking part this way is cheaper for the NHS.

1. Go to [www.gpsurvey.net/login](http://www.gpsurvey.net/login)
2. Enter code <<access\_code>> to take part

It should take you **less than 15 minutes** to take part.

**You can help to save the NHS money by taking part as soon as possible.** That way we won't need to send you any reminders.

## Your information will be kept confidential

There is more information about the survey and confidentiality on the next page. If you have any questions or need help taking part in the survey, visit [www.gp-patient.co.uk](http://www.gp-patient.co.uk). Or phone Ipsos on **Freephone 0800 819 9135** (lines are open 8am to 9pm Monday to Friday and 10am to 5pm on Saturdays).

Thank you very much for giving some of your time to help local NHS services.

Yours sincerely

Neil Churchill  
Director for People and Communities  
NHS England

Please turn over

## Why are you carrying out this survey?

This survey will help the NHS to improve GP practices and other local NHS services so they better meet your needs. You can see all the results from previous surveys, including the results for local GP practices, by visiting the website at [www.gp-patient.co.uk](http://www.gp-patient.co.uk).

## How did you get my contact details?

Your name was chosen at random from the NHS list of patients registered with a GP. Your personal information is held in line with the UK General Data Protection Regulation (UK GDPR) and Data Protection Act 2018. NHS England is the data controller for this survey, which means they are responsible for how your personal information is used. To read NHS England's privacy notice, which explains how your information is used and your rights, visit [www.england.nhs.uk/contact-us/privacy-notice](http://www.england.nhs.uk/contact-us/privacy-notice).

Ipsos is the data processor for this survey. They are processing your personal information to carry out this survey, on behalf of NHS England. Ipsos were given your name, address, mobile number and NHS number so they could invite you to take part. Ipsos, and any suppliers they work with, will keep your contact details confidential, and destroy them once the survey is over. Ipsos has not been given any information about your health. For more information visit [www.gp-patient.co.uk/faq/confidentiality](http://www.gp-patient.co.uk/faq/confidentiality).

## What happens to my answers?

Once you have filled in the survey, Ipsos will put your answers together with the answers from other people and publish the results. Your answers will be kept confidential. **Nobody will be able to identify you in any published results.** NHS England may share your answers from the survey with approved researchers, but only in a way that doesn't identify you, and in line with strict rules about data processing. For more information visit [www.gp-patient.co.uk/faq](http://www.gp-patient.co.uk/faq).

## What is the access code on the front of this letter used for?

Ipsos use the access code to identify who has taken part (they only send reminders to people who haven't responded) and to link responses to GP practices. Your personal access code is not linked to your NHS number.

Taking part in the survey is voluntary. If you do not want to receive any reminders, please contact Ipsos on Freephone **0800 819 9135** or email [GPPatientSurvey@ipsos.com](mailto:GPPatientSurvey@ipsos.com).

## Can someone help me fill in the questionnaire?

Yes, that's fine. You can contact our team or ask a friend or relative to help, but please make sure the answers are only about your experiences.

## What if I can't take part online?

If you cannot take part in the survey online, we will send you a paper questionnaire and a free return envelope in February. You do not need to request this.
